

Crane Training Schools Nanaimo

Crane Training Schools Nanaimo - Our various Mobile Crane Operation programs are meant for skilled operators who requires certification or re-certification, and for inexperienced people who are searching for their very first job as a crane operator. Business demand for certified crane operators is high all around the nation. Positions for crane operators are high because of their high rates of pay. Crane operators are amongst the highest paid of whatever operator of heavy machine.

Our Crane Operator training offers instruction for different mobile cranes. Course subject includes Crane Set-up, Wire Rope, Lift Planning, Load Dynamics, Load Charts, Rigging, and Signaling.

The program is best for crane operators, riggers as well as their supervisors. The materials incorporated in the course will comprise a guidebook and lots of informative handouts. The safety guidebook which is illustrated consists of 100 to 250 pages, depending on the course, of vital and helpful material. Course materials include load charts and load chart exercises for the crane with which the person training is working.

Hands-On Safety Training would take up over half of the course curriculum. The practical training section is the most helpful method to developing and improving personal skill levels. Only certified journeyman crane instructors are chosen to teach the courses. Our instructors have many years of experience in the business.

Optional testing mechanisms are provided for all of our courses. Students would normally write tests both prior to and following training. A skills test is usually administered for programs which consist of H.O.S.T. Trainees would be tested and graded.

We offer certified training programs for the following cranes: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Rigging / Signalperson Certification and Training; Articulated Boom / Knuckleboom Cranes; Certification & Testing; and In-The-Seat Training.
