

Nissan Forklift

Nissan prides itself on reaching complete client satisfaction when their buyer is enjoying one of their various trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with solid manufacturing principals, Nissan Forklifts offer some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Committed to delivering consumer support, the company has four distinct production facilities that permit them to constantly adapt to their customers continually evolving desires by providing a variety of progressive ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using systems and processes that minimize their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their customers insist upon while being an environmentally responsive organization.

Nissan is quite confident that any of their customer's inquiries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed dealers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
